

## Cylie Jo Canniff

January 9, 2000 - January 23, 2019

Cylie Jo Canniff “Bean”, 19, of Coldwater, passed away unexpectedly in Battle Creek, MI on January 23, 2019 from accidental carbon monoxide poisoning, which also claimed the life of her partner, Brandon Bull, of Bronson.

Her life will be honored with a memorial service on Saturday, January 26, 2019 at 4 PM at the Church of the Nazarene in Coldwater, with Pastor Mark Quinn officiating. Visitation will be held from 3-4 PM, just prior to the service, also at the Church of the Nazarene.

Cylie was born on January 9, 2000 in Coldwater, MI to Trenton Caniff and Erin Rose. She attended Coldwater Community Schools and lived in Coldwater all her life, where she attended the Church of the Nazarene. Cylie enjoyed hunting, fishing, softball, dance and music. Family was important to her. She was the first child to attend Aunt Mary’s Daycare – Lil’ Muchkins Daycare. She loved when Uncle Steve painted her nails. She was very good with kids and was a special big sister to Brady Rose. Cylie was also a great mommy to her five-month-old son, Mason Lee Bull.

Left to carry on Cylie’s memory are her son, Mason; her parents, Trenton (Leslie) Canniff of Leslie and Erin Rose of Coldwater; her siblings, Brandon Canniff, Stephanie Canniff and Brady Rose; her step-siblings, A.J. Scutt and Junior Scutt; her Aunt Mary and Uncle Steve Booher of Coldwater; her maternal grandmother Sue Gardner of Tennessee; her paternal grandparents, Robin Canniff of Battle Creek and Jeff Fritz of Tennessee; her great-grandmother, Quanna Topping of Battle Creek; and several other aunts, uncles and cousins.

Cylie was preceded in death by her partner, Brandon Bull of Bronson and her close family friend, Steven Baker.

Memorial donations may be directed to Lighthouse, P.O. 161, Union City, MI 49094 to assist with final expenses.

“ Remember the time me, you & Brady went to at&t and we were playing with the phones that had time on them and we messaged and called Brandon acting like his girlfriend he was dating at the time. Then he found out it was us and he demanded we stopped being friends.

Or the time we went to fair together and went to the mud bogs and after that we road the boat and u puked all over, you could not stop laughing and puking and then when we seen Tyler Brouse at the mud bogs and then he ended up coming over to my house for the both of us that night lol

Or the time you came over with me and dalton and Damion and he did our matching tattoos together and made a live video together.

Or the time where i first held mason for the first time and I said Brandon dont want me to hold him, you said I dont care, hes not around, what he don't know he dont need to know.

You my love, will be missed so much weve had so many memories and I will cherish every one of them. I wish you both were here to watch Baby mase grow up
